

CHAPTER 1 · RECIPE 11

Cheesy Scalloped Potato Mix

Scalloped potatoes are worth making, but measuring out a cheese sauce from scratch isn't always ideal on a weeknight. This jar keeps the dry sauce ingredients together, so you can add the potatoes and milk when you're ready.

SERVINGS

8

SERVING SIZE

about 2 tablespoons dry sauce mix, for about ¼ pound of sliced potatoes.

WHAT'S IN THE JAR?

- ½ **cup** powdered cheddar cheese
- ¼ **cup** dry milk powder
- **2 tablespoons** cornstarch
- **1 tablespoon** dried minced onion
- **1 teaspoon** garlic powder
- **1 teaspoon** kosher salt
- ½ **teaspoon** black pepper
- ½ **teaspoon** paprika

WHAT TO ADD

- Thinly sliced potatoes
- Milk
- Butter

INSTRUCTIONS

- 1** Combine the powdered cheddar, milk powder, cornstarch, dried onion, garlic powder, salt, pepper, and paprika.
- 2** Whisk well to break up any lumps.
- 3** Transfer the dry sauce mix to an airtight jar.
- 4** Seal and label.
- 5** Use about 2 tablespoons of the dry mix for each ¼ pound of sliced potatoes. Add milk and butter when preparing.
